

### Library Continuing Education Program Criteria

The Library of Michigan strives to support libraries' efforts to provide quality service and programming to their communities. A major element of excellent service is empowering library staff to learn and implement new skills and best practices. The Librarian Continuing Education program helps by providing financial support for library staff continuing education.

Public, academic and school library staff are eligible to apply for continuing education stipends. The program details and criteria are as follows:

- Current staff members (full or part-time) of eligible libraries are eligible to apply THROUGH their library, which will be the grantee. The library staff member will be the continuing education attendee.
- Eligible libraries are legally established public libraries, academic libraries, or school libraries which meet the library eligibility standards:
  - Have one or more paid staff
  - Have a regular schedule of library service
  - Have a dedicated facility for library purposes
  - Have an annual budget with funds reserved for library materials and services
  - Have a record of resource sharing with other libraries
- Special libraries may apply as public libraries if they are:
  - Non-profit and
  - Allow public access to their services and collections.
- The library staff member's job must include duties that include direct provision of library services to library patrons or students.
- The attendee must be employed by the library through the entirety of the event to receive funding.
- The request must be for support to attend a national, state or regional workshop, institute, conference or webinar on a library program or service related topic.
- Library of Michigan events, such as Beginning Workshop, New or Advanced Directors Workshop, or Rural Libraries Conference are **NOT** eligible for the program. Internal institutional events such as staff development days are **NOT** eligible for the program.
- Funding is available as a stipend payment for the amount approved after the event and required documentation are received.
- Funding requests are as follows:
 

○ In State Event – One Day	\$300
○ In State Event – Two Days	\$600
○ In State Event – Three Days	\$900
○ In State Travel Support – Only if event site is more than 150 Miles from the Attendee's Library one way.	\$150
○ Out of State Event	\$1,600
○ Webinar/Online Class	Actual Registration amount – Not to Exceed \$500 (Receipt must accompany Knowledge sharing form)
- All attendees must submit an article or presentation to the Library of Michigan to share what they have learned with the local or state library community before their library will be paid.

- An applicant may receive funding for only one event per fiscal year (October 1 through September 30).
- Submitting an application does not ensure funding.
- **Approved stipends will be rescinded if documentation is NOT submitted by the appropriate deadline.**

#### Timeline

- Applications may be submitted at any time.
- Applications will be reviewed every three months, on the last business day of March, June, September, or December, for continuing education events that are after the quarterly submission date.
- Applicants will be notified of the funding decision within two weeks of the last business day of the application review months (March, June, September, December).
- Successful applicants will be required to sign and return an agreement form within two weeks of notification of the award.
- Attendees must submit the knowledge sharing form and the required article or presentation no later than 30 days after the end of the event to receive the stipend.
- Within 30 days of submission of the knowledge sharing form and article or presentation, the Library of Michigan will notify the attendee of the final approved amount.
- Failure to complete the steps listed above by the appropriate deadline will result in the stipend being rescinded.
- **Libraries must be a State of Michigan vendor to receive funds.**

#### Application Questions

**Review the application questions below to prepare before completing the online application.**

1. What type of library do you work for? Public, Academic or School
