

K-8 eBook Collection

eBook K-8 Collection from EBSCO

This eBook collection is designed for K-8 students and the educators that work with them. It's a cost-effective way for libraries to provide educators with full-text eBook coverage to support their curricula and is a great complement to other elementary/middle school eBook and database resources.

The eBook K-8 Collection contains over 7,300 titles chosen to support a quality learning experience for K-8 students across all subject areas taught in elementary and middle schools, and content aligns with Common Core Curriculum Standards (for participating U.S. states). The collection also features a selection of Teacher Resources to support educators and administrators.

Give Your Users the Best-Possible Search Experience

With EBSCO eBooks, users can discover eBook titles alongside databases and other digital content—and move quickly and efficiently between resources—all in one easy, powerful search experience.

Experience the same great features as databases on EBSCOhost:

- One single platform to search across any combination of databases, eBook collections, and other resources
- The same clean, familiar EBSCOhost Basic Search Screen
- Advanced search options and browsing features
- Narrow search results without navigating away from the result list

This resource is brought to you by the Michigan eLibrary, a service of the Library of Michigan.
