

An Informational Forum on Nursing Facility Transition Services

A discussion about current initiatives to support individuals who choose to transition from a nursing facility to community living with in-home services.

October 11, 2006, 1:00-4:00 pm

Lansing Community College - West Campus (M-Tech)
5708 Cornerstone Drive
Lansing 48917*

Moderated by Robert Mollica, Senior Program Director, National Academy for State Health Policy, Rutgers University. Dr. Mollica is one of the nation's leading experts on long-term care policy and is co-director of the National Technical Assistance Community Living Exchange, which serves the Centers for Medicare and Medicaid Services' Real Choice Systems Change grant program.

Agenda:

- The Federal initiatives on nursing facility transition
- Lessons learned from Michigan's nursing facility projects
- Current policies that support nursing facility transition
- The providers' perspective on transition services
- Next steps in transition services

Presenters will include:

- Service participants
- Transition service providers
- Nursing facility providers
- Department of Community Health policy staff

* For accessible transportation, call CATA at (517) 394-6230.

Hosted by the Office of Long-Term Care Supports and Services
Phone: (517) 373-3860 RSVP not required.
