

FREQUENTLY ASKED QUESTIONS ABOUT AMERICORPS

AmeriCorps is a national service program designed to strengthen citizenship and the ethic of service by engaging thousands of Americans on a full-time or part-time basis to help communities address their toughest challenges. The Corporation for National and Community Service (CNCS) administers AmeriCorps at the federal level and works in partnership with states to develop service programs and create a community-based national service network.

In Michigan, AmeriCorps members are tackling tough problems such as illiteracy, hunger, and homelessness. These men and women, age 17 and older, dedicate a year to serving their communities and country – tutoring children, building homes, responding to disasters, and restoring national parks. In return they receive many benefits, including:

- A modest living allowance
- Health and child care benefits for those who qualify
- Valuable skills for the future, including leadership, teamwork, and project management
- An education award for college, graduate school or vocational school, or to pay off qualified student loans (upon successful completion of service)

With so many organizations and program options to choose from, we understand the process can seem a bit daunting! We hope this list of frequently asked questions will help you determine which type of program is best for you. Once you have reviewed the information on the subsequent pages, follow these simple steps:

HOW TO BECOME AN AMERICORPS MEMBER:

Step One - Ensure you are eligible.

AmeriCorps members must be at least **17 years of age**, must be a **U.S. citizen, national, or legal permanent resident alien**, and must have a **high school diploma** (or be willing to work toward one) **or its equivalent** (i.e., Certificate of Completion). If you are accepted, you will need to provide a birth certificate or other information documenting your age and citizenship. AmeriCorps members serving vulnerable populations such as youth or seniors must be able to pass local, state, and national background and sex offender registry checks.

Step Two - Find a program and make contact.

To join AmeriCorps, you must apply directly to your program of interest. AmeriCorps members serve in full-time (1700 hours), half-time (900 hours), reduced half-time (675 hours), quarter-time (450 hours), or minimum time (300 hours) capacity. The kind of slot available will vary from program to program. You can view the current Michigan's AmeriCorps programs at www.michigan.gov/mcsc or you can visit www.americorps.gov to get contact information for other AmeriCorps programs in Michigan and throughout the country.

Once you contact the program, they will be able to explain their application process and timelines. Also, some programs may have additional requirements, so be sure to ask about their individual qualifications for AmeriCorps members.

Step Three - Still need more information?

The Michigan Community Service Commission is happy to assist you if you need additional information. Please contact Megan Sargent at sargentm1@michigan.gov or (517) 241-3606.
