

Michigan's AmeriCorps Week - March 5-12, 2016

29 Michigan's AmeriCorps Programs

800+ Members

7 Days of Celebration and Service

Captain AmeriCorps Tour

Captain AmeriCorps was created by the 2015-16 LeaderCorps members as a way to help people learn more about Michigan's AmeriCorps programs and what members do on a daily basis. Captain AmeriCorps visited each program to serve alongside members during Michigan's AmeriCorps Week, March 5-12. The Captain AmeriCorps Service Tour was highlighted through social media throughout the week.

You Got Served Campaign

"I was on my way to pick up my daughter from daycare when I spotted a man with a sign explaining he was a homeless veteran trying to care for his family. I stopped, handed him a Meijer gift card and the "You got served" campaign flyer, and talked to him about AmeriCorps. As I left, I thanked him for his service to our country. He thanked me as well. That was an awesome experience! Two service members coming together and meeting in one of the most unexpected ways."

AmeriCorps members went out in their local communities to perform random acts of kindness to help spread the word about AmeriCorps and inspire others to practice kindness and pass it on.

Social Media Blitz

Motto Monday

Thankful Tuesday

Witnessing Changes Wednesday

Throwback Thursday

Future Plans Friday

AmeriCorps members participated in a week long service-themed social media blitz.

AmeriCorps is a national service program designed to strengthen citizenship and the ethic of service by engaging thousands of Americans on a full-time or part-time basis to help communities to address their toughest challenges.
