EXPORTING IS COMPETITIVE, AND MAKING THE MOST OF YOUR MARKETING TIME AND DOLLARS TAKES EXPERTISE. MARKET ENTRY SERVICES HELP U.S. SUPPLIERS FIND THE RIGHT MARKETS AND REACH THE RIGHT BUYERS AND IMPORTERS.

Activity Descriptions

BUYERS MISSIONS

Foreign buyers come to the U.S. to meet with suppliers like you during Buyers Missions. You can learn more about your products' export potential and build relationships with key industry buyers without the time and expense of overseas travel.

FOCUSED TRADE MISSIONS

Trade Missions bring U.S. suppliers to a country to meet with foreign buyers and learn about the market. The missions can include a market analysis of your product prior to a visit, an in-market briefing, tours of supermarkets and food service providers, buyer meetings, product showcases, assistance with lead follow-up, and a networking reception.

FOOD SHOW PLUS!™

This tradeshow enhancement service prepares you for and maximizes your international tradeshow experience. Services are customized for each show but may include pre-show feedback on competitive products, translation of your company's marketing material, on-site food industry interpreters, scheduled meetings with potential buyers, site visits to local retailers, in-market seminars, and follow-up assistance.
