Quick Reference of Counties and Cities with
Addresses Requiring Notification on the 2011 Pesticide Notification Registry.

This is a quick guide to assist you in determining if you have customer addresses that appear on the 2011 registry (46 pages total). The guide provides you the page numbers of the registry to print if you do not want to print the entire registry, which is found at www.michigan.gov/mda-reg637registry. It is your responsibility to print the correct pages if you do not print the entire registry. The password needed to open the registry was mailed to licensed firms. Contact Marie White at 517-241-1169 for more information.
