April 1, 2009

To Whom It May Concern:

The Michigan Department of Agriculture is sad to announce that the Michigan Youth Horse Racing (YHR) Program has come to an end. Unfortunately, due to budget cuts, there are no funds available to keep this program running.

I would like to thank everyone for hosting YHR events in past years. I believe that the kids all had a great time and appreciated your time and efforts to host this program for them. I enjoyed working with each and every one of you. Please pass the word on to the kids and their families that I enjoyed meeting them and hope for the best in their future. I will miss you all.

Feel free to contact me at (517) 373-9775 or holtond@michigan.gov, if you have any questions or concerns.

Sincerely,

Deb Holton
