

**MICHIGAN WEIGHTS AND MEASURES SERVICEPERSON
TEST DATE REGISTRATION FORM**

MUST REGISTER TWO WEEKS BEFORE EXAM DATE

Listed below is the date scheduled for Serviceperson Registration Exams. A voluntary brief review will be held starting at 8:30 a.m. on the scheduled date at the **E. C. Heffron Laboratory, Conference Room**. The Exams will begin immediately following the review. Testing will end at 4:00 p.m.

Complete this form, and return with your application. Return as soon as possible, as seating is limited. Everyone submitting a form to attend a testing session will automatically be approved unless you receive a call from the Weights and Measures Unit. Please make a copy for your records.

Remember to bring along to use during testing; Current Edition of NIST Handbook 44; the enclosed copy of P.A. 283, the Michigan Weights and Measures Act, calculator, and pen/pencils as these will be needed for the open book exam.

(AN APPLICATION MUST BE COMPLETED AND SIGNED ALONG WITH THIS FORM.)

IMPORTANT: Tests are involved and reviewing materials in advance is strongly recommended. Remember to bring your NIST Handbook 44 and a calculator on the day of exam. Please **DO NOT** schedule an exam if you have not THOROUGHLY REVIEWED the applicable materials. You may be wasting your time and taking the place of someone who is better prepared for registration. Please consider this before scheduling.
