2015 Violative Feed Disposition Form

An MDARD inspector officially collected and submitted a feed sample from your firm or from a firm that distributes your manufactured product. Official laboratory results indicate that this sample was found to be in violation (enclosed).

As the responsible party, please complete all applicable information on the form to the best to your ability and retain for future use. An MDARD inspector will visit to conduct a traceforward/traceback inspection of the feed product and this information will be essential for completion of the inspection. Failure to complete this form will further prolong their inspection. If you have questions or concerns, please contact Tim Lyons, MDARD Animal Feed Specialist at (517)719-1696 or April Hunt, MDARD Animal Feed and Fertilizer Specialist at (517) 284-5644. This form is also available electronically at [www.michigan.gov/mda-feed](http://www.michigan.gov/mda-feed).
