

ServSafe

National Restaurant Association

Public Act 516 of 2014

requires the certified food safety manager at all foodservice establishments complete allergens training and display an allergens poster by January 17, 2017.

Let the Michigan Restaurant Association
Help You Meet This Mandate.

michiganrestaurant.org/allergens

Become compliant by following these two steps:

1. Hang an allergens awareness poster in your establishment.

Free posters will be distributed by your local health department. Or you can download and print a poster for free at michiganrestaurant.org/allergens

Posters are available in seven languages.

2. Complete allergens awareness training program and display the certificate.

The MDARD-approved ServSafe Allergens® online course is discounted to \$10 through an education and training grant (retail price is \$22).

Michigan Restaurant Association members can take this course for free. Please call 517-702-3941 for your **FREE** course code prior to purchasing the course.
