---

#### Directions for Use

---

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA-registered Cannonball fungicide label.

This label must be in the possession of the user at the time of pesticide application.

Crop	Use Pattern	Rate	Dip Volume and Application Instructions
Asparagus	Crown dip prior to planting	0.50 oz/100 gal. water	<ul style="list-style-type: none"><li>Use Cannonball as a preplant soak. Rinse excessive soil or sand from crowns prior to soak. Submerge and soak crowns for 10 minutes. Allow to drain before planting. Ensure the Cannonball solution remains in suspension by using agitation</li></ul>

**Restrictions and Precautions:**

- DO NOT make for than one application to crowns prior to planting.
- Cannonball may be degraded by exposure to direct sunlight. Treated crowns should not be stored in direct sunlight.
- Do not apply within 365 days of harvest

---

Expires April 24, 2012
