

Movements of Michigan Origin Cattle Within Michigan

Movement Categories	RFID Task Force Recommendations
MI farm to farm's pasture:	Does not need to be tagged with RFID if pasture has same prem number – is not considered to have left farm.
MI farm to MI farm or feedlot:	Must be tagged with RFID before leaving farm.
MI farm to MI exhibit:	Must be tagged with RFID before leaving farm. Recommended to MAFE that animal IDs of animals participating in a fair or exhibition be recorded and records maintained.
MI farm to saleyard with tagging agreement in same zone to any destination:	Must be tagged with RFID at saleyard if not arriving tagged with RFID.
MI farm to saleyard without tagging agreement in same zone to any destination:	Must be tagged with RFID before leaving farm.
MI farm to saleyard in a different zone :	Must be tagged with RFID before leaving farm.
MI farm or feedlot directly to slaughter plant:	Must be tagged with RFID before leaving farm/feedlot.
