Dear Michigan Department of Labor and Economic Growth Bureau of Workforce Programs:

Regrettably, due to our current business circumstances, Shelby Modules has found it necessary to lay off employees from their positions at the facility located at 11971 Investment Drive, Shelby Twp., MI 48315. Although we hope that there may be other employment opportunities for some employees, these layoffs must be considered permanent.

The layoffs will affect approximately 50 employees. Exact dates of the layoffs have not been determined, but they will take place no earlier than March 17, 2008 and no later than March 30, 2008.

To the extent that these layoffs constitute a mass layoff under the Worker Adjustment and Retraining Notification Act, this letter is intended to fulfill the Act's requirements. By providing this letter, however, Shelby Modules does not concede that the Act applies or that notices are otherwise required.

For further information, please contact me at 586-726-2471.

Sincerely,

Kimberly VanSickle  
Human Resource Manager
