**RE: Notice of Anticipated Employment Loss**

Dear Mr. Rothwell:

Unfortunately, I must notify you, pursuant to the worker Adjustment and Retraining Notification Act, that on September 11, 2001, AT&T will announce a permanent layoff of employees located at AT&T's ACS Consumer Markets facility at 2350 Green Road, Suite 100, Ann Arbor, Michigan.

Attached are lists of employees who we believe will be laid off as a result of the above-stated action. Unless you are notified otherwise, each of the listed employees will be separated on November 9, 2001, as indicated on the attached list.

You should know that bumping and/or placement procedures may be employed before layoffs will take place. Those procedures are outlined in the collective bargaining agreement for represented employees and in the force reduction guidelines for non-management employees for the ACS Consumer Markets employees. The layoffs will be without expectation of re-employment within six months of the separation date.

Represented employees located at the ACS Consumer Markets facility are represented by:

Gloria Llamas  
President of Local 4011  
Communications Workers of America  
202 East Heron, Suite 200  
Ann Arbor, MI 48104  
Telephone No. 734-665-4011
