Dear Ms. Hennessey:

I am writing you pursuant to the provisions of the Workers' Adjustment and Retraining Notification (WARN) Act.

Effective at midnight on April 17, 2006, Commuter Express, located at 26500 Van Born Rd., Dearborn heights, MI 48125 will be permanently laying off all of its employees that are assigned to our Employee Shuttle and Transportation Management Contract at Detroit Metropolitan Airport. This lay off, which effects one-hundred-fourteen employees, results from our company having lost this work to another contractor. Ninety-five of those being laid off are employed under the terms of a collective bargaining agreement that does provide for bumping rights. Those employees are members of Teamsters Local 299 whose President is Kevin Moore. Mr. Moore can be reached at 313 965 8750. His mailing address is 2741 Trumbull Ave., Detroit, MI 48216

I am enclosing a list of the employees that will be laid off and their job classifications. If you have any questions regarding this notice, you may reach me at 313 299 2299.

The good news about this lay off, if there is any, is that Teamsters Local 299 has arranged with the successor contractor to interview and hire those union employees that wish to do so.

Yours Very Truly,

A handwritten signature in black ink, appearing to read "Timothy J. McCarthy", written over a horizontal line.
