

## Career Choices – Certificate of Completion Programs

- Assembler/Tester
- Communication AV Cable Installer
- Electronics Technician
- Industrial Tester/Installer
- Alarms System Technician
- Industrial Electronics Technician
- Telecommunications/Broadcast Technician

Depending on skills, abilities, and interests, students can participate from 1-8 terms. Most new students are accepted into the Electronics Program in fall and spring terms only.

## Program Description

MCTI's Electronics program has a well-equipped electronics lab that provides up-to-date, hands on training. Students in the Electronics Program learn entry level skills appropriate to most electronic businesses and industries. Courses help prepare students for entry-level employment in industrial/ electronics maintenance. More than 75 percent of the student's time is spent in the lab with hands-on training exercises.

## Job Outlook

Jobs are plentiful in this industry and skilled graduates can expect job placement within a short period of time. Entry-level wages vary from \$8.15–\$13.50 per hour.

## Aptitude/Abilities

- Above average verbal and numeric aptitudes
- Above average manual/finger dexterity, hand-eye coordination, motor coordination, spatial/form perception
- Above average learning ability and mechanical reasoning skills
- Demonstrated ability to interpret technical instructions in mathematical and diagrammatic form
- Ability to logically solve problems with abstract and concrete variables
- Ability to make good judgments
- Ability to perform precision work and a variety of tasks
- Academic abilities are detailed in the MCTI catalog & on the MCTI website
