Ms. Hennessey:

Pursuant to the “Workers Adjustment and Retraining Notification Act” (WARN), you are hereby notified of the planned employment loss in the form of the closing of the Auburn Hills, MI General Motors Acceptance Corporation (GMAC) Administration Center (AC), located at 900 N. Squirrel Rd., Suite 300. The closure will be effective January 1, 2006.

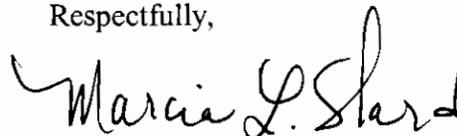

As a result of the closing of the AC, an estimated seventy three (73) full time employees will lose their jobs. The various job titles and number of employees for each job title are outlined on the enclosed attachment. All employees in this office are salaried. It is a non-represented workforce.

Based on job availability, job offers of equal pay, plus relocation benefits if applicable, have been made available to all employees. Those full time employees who elect not to accept the job offer will be eligible for the GMAC Severance Program, which provides up to nine months of salary paid in a lump sum based on length of service. The full time employees who were not offered a job are eligible for the GMAC Severance Program, which provides up to nine months of salary paid in a lump sum based on length of service.
