

Michigan's Green Lodging Program

Green Lodging Michigan Facilities Overview

Please consider Michigan's Green Lodging facilities for your future travel needs as well as for workshop and conference planning. Green Lodges help save energy and protect the environment. They also help make Michigan a great travel destination!

Facilities designated under the Green Lodging Michigan Program may achieve three levels of certification: **Green Lodging Partner, Green Lodging Steward, and Green Lodging Leader**. A list of current facilities is provided below.

[View a map of Michigan's Green Lodging facilities.](#)
