Dear Deborah,

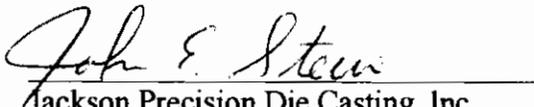

Recently, Jackson Precision Die Casting, Inc. made a business decision to discontinue its Die Casting Operations in Jackson, Michigan. As a result, we have made arrangements to enter into Bankruptcy and will be closing the facility sometime later this year. As a result, the Jackson facility located at 522, Hupp Avenue, Jackson, Michigan, 49203 will be permanently closed.

We expect that the layoffs will occur on September 28, 2001. Obviously, the closure will affect all (approximately 194) employees at the Jackson, Michigan plant. We regret that we were unable to provide our employees with additional notice of the closure; however, until recently, we had hoped to find a way to continue to operate the Jackson plant.

All other information required by 20 C.F.R. Sec. 639.7(e) is available on site for your review.

For further information regarding this closing, you may contact me at (517) 788-6100.

Sincerely,

Jackson Precision Die Casting, Inc.
John Stein
Vice President & Chief Operating Officer
