Chong-Anna Canfora, Director  
Rapid Response Section  
Michigan Department of Labor & Economic Growth  
611 W. Ottawa Street – 4<sup>th</sup> Floor  
Lansing, MI 48909

Dear Ms. Canfora:

I am writing to inform you that we believe the assets of the Home will soon be sold to another company. I am also pleased to report that this purchaser has indicated that they plan to offer employment to our employees and would continue to offer our residents a home in which they will receive quality care in an updated facility. However, if that planned sale does not go through as we anticipate, Moroun Nursing Home, Inc., will be closing its facility located at 8045 E. Jefferson Avenue, Detroit, Michigan 48214, on December 1, 2009. In this regard, I want to emphasize that we believe the Facility will remain open without any interruption in its operations. However, if for some reason the desired sale does not go through, this closure is expected to be permanent.

Attached is a list of the affected positions and the names of employees currently holding those positions and expected to be affected. The expected date of separation is December 1, 2009.

It is anticipated that approximately 135 employees will be affected by the action. Those employees do not have bumping rights that would apply in the case of the facility's closure.

For further information regarding this matter, feel free to contact Grant T. Pecor at (616) 977-0077.

Very truly yours,

Christine M. Petrik  
Administrator
