RE: Notice of Termination of Employees

Dear Sir:

This notice of the termination of employees at Pulte Home Sciences of Michigan, LLC, is voluntarily provided in accordance with the Department of Labor's Worker Adjustment and Retraining Rules and Regulations, 20 CFR Part 639, even though that Act does not apply to the terminations in question.

Beginning on September 26, 2003, and extending until within 14 days of December 19, 2003, Pulte Home Sciences expects to terminate approximately 53 employees from employment at its facility located at 6600 Mt. Elliott, Detroit, Michigan. The number of employees per position to be affected are listed on Attachment A.

Attached is a sample copy of Pulte Home Sciences' notice to affected employees. Bumping rights do not exist for persons occupying the affected positions.

Any questions or requests for further information should be directed to Carrie White at (313) 267-3341.

Sincerely,

A handwritten signature in cursive script that reads "Carrie White".
