**MS. KELLOGG:** Good morning. My name is Natalie Kellogg. I'm the Departmental Technician to the Certificate of Need Commission from the CON Health Policy Section of the Department of Community Health. Chairperson Chip Falahee has requested that the Department conduct today's hearing.

Comment cards can be found on the table if you'd like to provide testimony. Please be sure that you have signed the sign-in log.

This hearing is to receive comment on what, if any, changes need to be made and on the need for continued regulation or de-regulation of each of the mentioned standards: Bone Marrow Transplantation Services, Heart/Lung and Liver Transplantation Services, Magnetic Resonance Imaging (MRI), Pancreas Transplantation Services, and Psychiatric Beds and Services standards. These are all scheduled for Commission review in 2012.

The three-year review cycle for all standards is listed on the second page of the CON Commission Work Plan located at [www.michigan.gov/con](http://www.michigan.gov/con). If you wish to speak on any of the scheduled standards, please turn in your comment card and provide copies of any written testimony. Just as a friendly reminder, all cell phones and pagers need to be turned off or set to vibrate during the hearing.

As indicated on the Notice of Public Hearing, written testimony may be provided to the Department via our Web site at [www.michigan.gov/con](http://www.michigan.gov/con) through Wednesday, October 19th, 2011 at 5:00 o'clock p.m.

Today is Wednesday, October 12th, 2011. We will begin the hearing by taking testimony in the following order: Bone Marrow Transplantation Services, Heart/Lung and Liver Transplantation Services, MRI, Pancreas Transplantation Services, and Psychiatric Beds and Services standards. The hearing will continue until all testimony has been given, at which time we will adjourn. Does anyone have any testimony?

I think what we have decided to do is we'll adjourn for like about -- until 9:45 just in case there are any latecomers that would like to provide testimony, at which time we'll convene and then adjourn again, more than likely. So with that, we'll take about a ten-minute break and come back.

(Off the record)

**MS. KELLOGG:** I'm going to go ahead and call the meeting back to order. If there is -- is there anyone else that would wish to provide comment at this time? Hearing none, I will go ahead and happily adjourn this hearing.

(Hearing concluded at 9:45 a.m.)
