Family Planning and Sexually Transmitted Infection Prevention and Treatment

(FY 2013 Appropriation Bill – Public Act 200 of 2012)

January 3, 2013

Sec. 1103. By January 3 of the current fiscal year the department shall annually issue to the legislature, and to the public on the Internet, a report providing estimated public funds administered by the department for family planning, sexually transmitted infection prevention and treatment, and pregnancies and births, as well as demographics collected by the department as voluntarily self-reported by individuals utilizing those services. The department shall provide the actual expenditures by marital status or, where actual expenditures are not available, shall provide estimated expenditures by marital status. The department may utilize the Plan First application (Form MSA 1582), MICHild, and Healthy Kids application (DCH 0373) or Assistance Application (DHS 1171) or any other official application for public assistance for medical coverage to determine the actual or estimated public expenditures based on marital status.
