

CSHCS ALERT #2-2013: Seeking nurses for Accreditation and CMS Clinic site reviews
Mon 2/4/2013

Please do not respond to this email, please contact Karla McCandless.

CSHCS is finally moving forward on hiring two part-time nurses to conduct, as a member of a team, site visits related to the Accreditation Review re: CSHCS Minimum Program Requirements (MPR). These positions are not being filled as State Employees. The positions will be contracted.

We wanted to seek interested parties from inside the CSHCS program before going outside of the program. Therefore, our first notice of these positions is being sent to the local CSHCS offices. However, if you are aware of anyone who is seeking employment and fits within the requirements in the attached documents, we would also be interested in those referrals.

If you or someone you know that would be appropriate for these positions are interested in applying, please contact Karla McCandless at mccandlessk@michigan.gov. It's important that you send your message through e-mail so that I can remain organized in this process. I wouldn't want to miss this important information. Thanks for your help.
