

CSHCS INFO #20 (3)-2013 - CSHCS & MICHild
Mon 9/23/2013

Good morning,

We have been notified by the Department of Insurance and Financial Services (DIFS) of some additional MICHild filing approvals. These approvals resulted in 4 new counties having two or more plans. These counties are:

Clinton
Eaton
Ingham
Isabella

BCBSM will cease to be offered as a plan choice for new/renewing MICHild enrollees, and current enrollees will be notified of the need to select a new plan in these 4 counties for enrollment **effective dates of 12/1/13** and later (if a choice is not made in the allotted period of time, Maximus will auto-assign following the MICHild auto-assignment algorithm):

There are other filings that have not received a disposition by DIFS so there could be additional counties that transition on December 1st. Please see attached county analysis. Let us know if you have any questions.
