

CSHCS ALERT #22-2014 - EZ Link and LHD's  
Mon 9/29/2014 12:59 PM

**From:** Beaver, James (DCH)

Dear Local Health Partners,

This is to inform you that EZ Link is experiencing technical difficulties today. We have heard that it was problematic over the weekend as well.

Covisint is aware of these and currently there are efforts underway to address them.
