

CSHCS ALERT #5-2014 - Instructional webinar
Wed 2/19/2014

Dear Colleagues:

Please find attached a copy of the communication that is in the process of being formally mailed out to CSHCS families alerting them of their eligibility for full coverage through the Health Insurance Marketplace. In this letter we have also encouraged them to contact their local health departments for assistance in enrolling in the Health Insurance Marketplace.

As our local partners, we will enlist your help with guiding our CSHCS families through this process.

CSHCS will conduct an instructional webinar to help you in assisting our families. **The date of this instructional webinar is Thursday, February 27, 2014 from 10 am - noon.** The call in number for this webinar is 1-877-873-8017, access code 8367259.

During this webinar you can expect:

- To better understand your role in guiding families
- Walk through a demonstration of our newly created underinsured work screen in the CSHCS database
