

CSHCS INFO #34-2014 - Family 2 Family ACA Webinar
Thu 10/30/2014 3:32 PM

Dear Local Health Partners:

We are nearing the start of the 2015 open enrollment for the Health Insurance Marketplace, which begins November 15, 2014. Clients remain on the CSHCS underinsured list, and may be coming to our Local Health Partners for assistance in enrollment on the Marketplace.

Michigan Family to Family Health Information Center in partnership with Michigan Consumers for Healthcare is conducting a webinar on November 6, 2014 called "Affordable Healthcare and You" from 9am-10am EST. Special provisions and protections that impact children and youth with special healthcare needs will be discussed. We hope you watch this webinar and gain valuable updated information that will help you in assisting our families.

Please call Amy Chapko with any questions you may have.
