**2015 MEDICAL RECORDS ACCESS ACT FEES
 (In Accordance with the Consumer Price Index)**

The Medical Records Access Act, Public Act 47 of 2004, MCL § 333.26269 (the Act), states that if a patient or a patient’s authorized representative requests a copy of all or part of the patient’s medical record, the health care provider, health facility, or medical records company to which the request is directed may charge the patient or the patient’s authorized representative a fee. The Act requires the Department of Community Health to adjust on an annual basis the fees prescribed by the Act by an amount determined by the state treasurer to reflect the cumulative annual percentage change in the Detroit consumer price index.

In compliance with the Medical Records Access Act, I, Nick Lyon, Director of the Michigan Department of Community Health, recognize the State Treasurer’s certification of the annual percentage increase in the Detroit Consumer Price Index for the 2015 calendar year. Accordingly, I have adjusted the fees by the cumulative annual percentage change as follows:

Year	Initial Fee (333.26269(1)(a))	Per page for the first 20 pages (333.26269(1)(b)(i))	Per page from paged 21-50 (333.26269(1)(b)(ii))	Per page for pages 51+ (333.26269(1)(b)(iii))
CY 2015	\$23.62	\$1.18	\$0.59	\$0.24

NOTE: A ‘patient’, as defined by this rule, shall not be charged the initial fee for the patient’s own medical record. However, a patient can be charged the other permitted fees (e.g. the per page fees).
