Dear Health Department Colleagues,

Please read this message in its entirety.

If you have any questions regarding Accreditation, the “CSHCS Accreditation 2015” webinar, or this email, please contact Courtney Pendleton. Please do not reply to this email.

The 2015 CSHCS Accreditation Minimum Program Requirement (MPR) Tool is available at the Michigan Public Health Institute (MPHI) Accreditation site at <https://accreditation.localhealth.net>.

- Click on “Tools & Timeline”
- Click on “2015 Tool”
- Click on “Section XII: Children’s Special Health Care Services” under Categorical Services

This tool will be used by the CSHCS Accreditation Review Team for visits performed in 2015.

We have a recording of the “CSHCS Accreditation 2015” webinar from December 11, 2014. If you are interested in watching, please visit <http://breeze.mdch.train.org/p4ha857q1q2/>. This was the Accreditation Reviewers first recording, and though it might not be perfect, we are happy to have it to share with you. We are excited to be offering this type of learning opportunity now, and in the future.

Throughout the webinar, we will reference several different files available for download. You may click on the files throughout the webinar, or they have also been attached to this email for your convenience. These documents include:

- CSHCS Accreditation for LHD 2015
 - These are the presentation slides from the webinar.
- CSHCS Cycle 5 Summary Report
 - This report is a summary of information for the entire three years of Cycle 5. It focuses on our most missed indicators, most recommendations for improvement, most special recognitions, etc. We have also included areas of needed training, specifically from the Accreditation Reviewers point-of-view. These suggested training needs have been provided to the MDCH CSHCS Division; however, please know they were suggestions and any future training may not be provided to solely address these issues.
- CSHCS MPRs and Indicators - What's New for LHDs

- This document was created as guidance to assist with the individual indicator changes and requirements, specifically comparing to the requirements for the previous Accreditation visits. Please remember this document is solely meant as guidance. Please refer to the MPR tool for requirements. **This document is useful to have available, whether printed or open on your computer, while viewing the webinar during the individual Indicator portion of the presentation.**
- Sample outreach log
 - Created by one of our Peer Nurse Reviewers, it is an example available for LHDs use, if it will assist you in gather information regarding your outreach and program representation (see Indicator 4.1 for further information).
 - LHDs are not required to use this sample outreach log.

We are also including a Q & A document with the few questions we received either during or after the webinar.

If you have any further questions regarding this webinar or files, Accreditation requirements or Indicators, please contact Courtney Pendleton at 517/241-7189 or PendletonC@michigan.gov.

I would like to thank Karla McCandless for the information she provided regarding Indicator 3.2: Policies and Procedures. And I would especially like to thank Val Newton, Sherry Brabon, Courtney Adams, and Matt Richardson for their participation of this webinar, along with the Family Center Staff for their assistance.

Thank you so much to those who were able to join us for the webinar.

We look forward to seeing you for Accreditation!
