

Order free immunization brochures & materials

Order online: www.healthymichigan.com

You may also fax this order form to (517) 699-2376. If you have questions about orders that have already been placed, call the MDCH Clearinghouse toll-free at (888) 76-SHOTS. General questions may be directed to the MDCH Division of Immunization (517) 335-8159.

Please enter quantity for each requested item. (Orders for brochures are usually limited to 500, unless otherwise stated. Limits on orders may be temporarily decreased if inventory is low.)

Quantity	Item requested
(Limited quantity; 1 per order for as long as they last)	<p><u>2012 Alliance for Immunization in Michigan (AIM) Provider Tool Kit</u></p> <p>The look of the 2012 AIM Toolkit has changed! This packet is designed for health care professionals who administer vaccines and includes immunization schedules for children, adolescents, and adults, along with colorful posters and materials to be posted in providers' offices. The new kit contains a CD with tutorials to help users navigate the online kit. More detailed information about contraindications, administration, documentation, storage and handling of vaccines, and vaccine safety resources for parents and health care personnel can be found online at www.aimtoolkit.org.</p>
(Limit 250)	<p>The Individual Immunization Record card is used for children, adolescents and adults in Michigan. The limit for orders placed through the MDCH Clearinghouse is 250.</p> <p>Hospitals and local health departments: Please place your orders directly with the Michigan Department of Community Health's Division of Immunization by calling (517) 335-8159.</p>
