

Unnatural Causes: Is inequality making us sick?

Narrative Summary of Activity

Goal Area 1: Identify and Eliminate Disparities

October 1, 2010 – September 30, 2011

To be included in Tri-Annual Reports

Please provide a brief narrative about the community and/or agency presentations, using the following bullets as a guide to content:

- How many presentations of Unnatural Causes did you host or facilitate?
 - Date of presentation/s
 - Where were they held?
 - How many people attended the viewing/s?
- Discussion highlights
 - Were there common themes or comments that emerged in the various presentations?
 - Were there any important comments – either negative or positive, that you think are significant?
 - Any good ideas shared?
- Do you have any recommendations or suggestions for next steps or follow-up actions steps that you think would be helpful?
