Adult Benefits Waiver – County Health Plans:

- Some counties have a County Health Plan. If you live in one of these counties, you must use only the providers that are part of the County Health Plan.
- The County Health Plan will also send you an ID card.
- Take both the County Health Plan card & the mihealth card with you when you need medical services.
- Some medical services may require authorization before your physician or pharmacist can provide them. Your doctor must request the authorization for you.
