

## **Affordable Care Act Forums:**

**What health insurance changes can families anticipate from the Affordable Care Act? Michigan F2FHIEC will be hosting an Affordable Care Act Forum:**

**May 21, 2012**  
**1:30 PM – 3:30 PM**

**Central Michigan University**

Mackinaw Room, 123 in the  
Bovee University Center at  
Central Michigan University,  
103 East Preston Street  
Mt. Pleasant, MI 48859

This two-hour sessions will offer practical, basic information about anticipated changes in accessing health insurance benefits, the requirement to buy health insurance (sometimes known as the “individual mandate”), who will be eligible for financial help to pay premiums, what will be covered through health insurance, and purchasing health insurance through an exchange. In addition, we’ll talk about Medicaid expansion under the Affordable Care Act and the issues currently being decided by the United States Supreme Court. The Power Point presentation, handouts, and discussion are designed to supplement what you already know about this law. An interactive approach and conversation will be used to share information based on the needs of participants.
