GENERAL INFORMATION

General System Overview
ASAP is the Adult Services Authorized Payments System. This system is designed to generate payments for Home Help (HH), Adult Foster Care (AFC) and Home for the Aged programs. ASAP provides a secure web portal accessible to a wide range of users, including direct provider access.

Warning Notice
ASAP contains Electronic Protected Health Information (ePHI). All Protected Health Information (PHI), in any format, must only be used or disclosed as permitted by the Health Insurance Portability and Accountability Act (HIPAA) and other applicable state and federal confidentiality laws.

Unauthorized or improper use of this information may result in disciplinary action up to and including termination. The Michigan Department of Community Health (MDCH) reserves the right to pursue civil or criminal penalties which may include notifying law enforcement officials and regulatory accreditation and licensure organizations.

The HIPAA Security Rule requires standards to assure the confidentiality of ePHI. Data that is downloaded should be saved to the network, not your C:drive (hard drive). ePHI data that is transferred should be encrypted using MDCH standards.

The ASAP Provider Training Guide will cover:

- View ASAP AFC/HFC Payments
- View/Manage AFC/HFC Claims

Organization of the Training Guide
This Training Guide covers the following Lessons (Create as many lessons and appendices as required):

1. Lesson 1 – Single Sign on (SSO)
2. Lesson 2 – ASAP Basics
3. Lesson 3 – Payments
4. Lesson 4 – Providers
5. Lesson 5 – Claims
6. Appendix A – Acronyms and Abbreviations
LESSON 1 – SINGLE SIGN ON (SSO)

Introduction
This lesson will show the user how to set up a State of Michigan Single Sign On (SSO) account and how to apply to the ASAP application.

Lesson Objectives
In this lesson, you will learn how to:

• Register for an SSO account
• Subscribe to the ASAP application
• Access the ASAP system

Lesson Topics

• Topic A – Creating an SSO Account
• Topic B – Subscribing to the ASAP Application
• Topic C – Accessing the ASAP System

Topic A - Creating an SSO Account
1. To access the State of Michigan Single Sign On website, enter the web address below:
   • [https://sso.state.mi.us](https://sso.state.mi.us)

2. Click the Register button to create a new account, if you don’t already have one.
3. Enter the required fields which are marked with an asterisk (*).

4. Click the Continue button.

5. You may be asked to create a unique four (4) digit number to follow your User ID. When the number is entered, click the Continue button.
6. The User Registration Confirmation page will display what your User ID will be. Click the Submit button.

7. An e-mail will be sent to you when your registration has been approved.

**Topic B - Subscribing to the ASAP System**

Once you’ve received your e-mail confirmation, you are now able to log in to your SSO account. To begin, you need to do the following:

1. Go to the State of Michigan Single Sign On web site, [https://sso.state.mi.us](https://sso.state.mi.us).

2. Enter your User ID and Password and click the Login button.
3. You will be directed to the Welcome Page. From here, you will click the Subscribe to Applications link.

4. Click either the Provider or CMH Employee link.

5. Select the following from each dropdown menu. Then click the Next button.

6. Click the Submit button.

7. You will then need to await your confirmation e-mail before you are able to access the ASAP system.
Topic C - Accessing the ASAP System

Once you’ve received your e-mail confirmation for the ASAP application, you are now able to log in to the ASAP system. To begin, you need to do the following:

2. Enter your User ID and Password and click the Login button.
3. Click the ASAP Link.
LESSON 2 – ASAP BASICS

Introduction
This lesson will provide the user with an understanding of the basic functionality and navigational tools of the ASAP system.

Lesson Objectives
In this lesson, you will learn how to navigate within the ASAP system. You will:

- Learn how to navigate between tabs and pages
- Be able to filter data
- Know how to export data
- Know how to access hyperlinks for additional information

Lesson Topics
- Topic A – Tab Navigation
- Topic B – Filter Data
- Topic C – Page Navigation
- Topic D – Export Data
- Topic E – Hyperlinks
- Topic F – i link
TOPIC A

Tab Navigation

1. Click on the desired tab to access that page.

2. At any point, the user can return to the Welcome page by clicking the Home tab.

3. The Contacts tab will direct the user to the MDCH web page.

4. To close the ASAP session, click the Sign Out tab.
TOPIC B

Topic B - Filter Data

Now that you know how to navigate between tabs, you will now learn how to use the filter function. The filter function is available within each tab. To filter data, you need to do the following:

1. Select the Filter link.

2. Enter filter criteria.

3. Click the Apply button.
**Topic C - Page Navigation**

After you have filtered your data, the results that populate may be too large to fit on one page. You will need to know how to display additional pages. To access additional pages, you need to do the following:

1. The system displays a total page count as well as the number of items currently being viewed.

   ![Page Navigation Example 1](image1)

2. The user can click the Previous (prev) and the Next (next) buttons to navigate between pages.

   ![Page Navigation Example 2](image2)

3. The user can also select the number of items displayed on a page from the drop down menu.

   ![Page Navigation Example 3](image3)
**Topic D - Export Data**

Now that you know how to filter and view data, you will learn how to export that data into a PDF file. To export data, you need to do the following:

1. Click the Export link.

   ![Export Link](image1)

2. Once the Export link has been selected, a new PDF window will appear.

   ![PDF Window](image2)

**Topic E - Hyperlink**

Throughout the ASAP system, there will be hyperlinks available. Data which is a hyperlink, is distinguished with an underline. By clicking the hyperlink text, the system will reveal more detailed information.

1. Click the desired hyperlink.

   ![Hyperlink](image3)
2. Once the hyperlink has been selected, the system will reveal more detailed information regarding the link selected.

**Topic F - i link**

There is a second way to reveal more information; through the i link. To view this additional information, you need to do the following:

1. Click i link button.
2. Once the button has been selected, a pop-up window will appear with more detailed information.

3. To close the pop-up window, click the red circle in the upper left hand corner.
LESSON 3 – PAYMENTS

Introduction
The Payments function will allow the user to view payment history.
