CONTRACTOR PARTICIPATION AGREEMENT

The undersigned contractor, as a participant in the Healthy Homes Section agrees to abide by the following terms and conditions:

- **CUSTOMER SATISFACTION**
  The contractor agrees to commit to total customer satisfaction within the scope or the established written contract, inclusive of the following practices:
  1. Maintaining close communication with the homeowner so that the homeowner plays an integral part in the abatement process.
  2. Prompt response to any warranty follow-up request to investigate the nature and cause of possible defective materials and/or workmanship.
  3. Maintaining an 18-month workmanship warranty on each Healthy Homes Section, Lead Hazard Control Program project.

- **CONSTRUCTION PRACTICES AND STANDARDS**
  The contractor agrees to manage all Lead Hazard Control Program projects at the highest standards possible, inclusive of the following:
  1. To maintain property damage and liability insurance specifically cover lead-related work.
  2. To provide and maintain good job supervision over employees and sub-contractors.
  3. Total commitment to quality workmanship and material.
  4. To maintain a safe working environment for the customers and crews.
  5. Commitment to the Minority/Women-owner Business Enterprise Policy.
  6. To follow all provisions in the OSHA Construction Industry Standards specifically related to working with a regulated, hazardous substance, including the development and usage of a hazard communication program, respiratory usage program, medical surveillance program and other safety policies.
  7. To follow the provisions set forth in the Michigan Lead Abatement Act (MCL 333.5451-5477)

- **BIDDING REGULATIONS**
  The contractor agrees to follow Healthy Homes Section bid requirements within the program’s project specifications and departmental purchase orders and abide by bid regulations which may lead to limiting the number of projects awarded at any one time based in part on the following criteria:
  1. The contractor’s financial capacity to perform multiple projects.
  2. Evaluation of the contractor’s performance by program representatives and homeowners
  3. The discretionary authority of the Healthy Homes Section Manager.
  4. At the discretion of the Healthy Homes Section, recently approved contractors are placed on a probationary period in which they may only be awarded and complete 2 projects at a time. After clearance of those first two projects and successful evaluation, they may continue on bid on and complete an additional two projects at a time. The contractor must complete up to 6 projects total before this probationary status is removed. If no problems are experienced during this probationary period, the contractor will be removed from probationary status.
