

CSHCS Accreditation

Regional Meeting 2013

Courtney Pendleton

MDCH CSHCS

What is Accreditation?

- * The Michigan Local Public Health Accreditation Program seeks to assure and enhance the quality of local public health in Michigan by identifying and promoting the implementation of public health standards for local public health departments, and evaluating and accrediting local health departments on their ability to meet these standards.

-Michigan Public Health Institute. (<http://www.accreditation.localhealth.net/>).

The Minimum Program Requirements

- * Be familiar with the Minimum Program Requirements (MPR) tool.

What We've Learned

- * Indicator 2.3 – “LHD CSHCS shall have a shared, comprehensive client record for CSHCS enrollees that reflects communication among the staff and includes dates and staff identifier.”
- * Indicator 3.2 – “LHD CSHCS shall have written policies and procedures in accordance with CSHCS published policy that are reviewed annually and updated as needed regarding local CSHCS program function.”

Good Example

- * Policy Statement: Benefit to be offered or goal to be reached.
 - * Versus
- * Procedure: Steps engaged in by staff to implement the policy.
- * My policy statement: Cookies will be made for my kids.

Look At The Numbers

- * 2012 = 16 Visits
 - * 29 Indicators * 16 Visits = 464 Indicators that were reviewed!
- * 2013 = 16 Visits
- * 2014 = 13 Visits

Please Remember
