

COMPUTED TOMOGRAPHY (CT) SCANNER SERVICES

STANDARD ADVISORY COMMITTEE (SAC) CHARGE

**Approved by the CON Commission Chairperson and Vice-Chairperson
March 9, 2010**

At a minimum, the CT Scanner Services SAC is charged to review and recommend any necessary changes to the CT Scanner Services Standards regarding the following:

- 1) Whether or not dental CT scanners should continue to be regulated under CON. If regulation of dental CT scanners should be maintained, make recommendations, if necessary, regarding any modification to the requirements.
- 2) Whether or not portable point of care and mini CT scanners should continue to be regulated under CON. If regulation of portable point of care and mini CT scanners should be maintained, then make recommendation as to the requirements.
- 3) The methodology, e.g., volume requirements and CT equivalents in regards to CT proliferation and make any necessary recommendations.
- 4) Any technical or other changes from the Department, e.g., updates consistent with other CON Review standards, radiation safety issues, consistency of initiation language with Public Health Code.
