

2015 Michigan's Annual Immunization Conferences

Register today at: <https://register2015.mihealth.org>

Target Audience

These conferences were designed for medical assistants, nurses, nurse practitioners, pharmacists, physicians, physician assistants, pharmacists, public health staff, medical and nursing students and anyone interested in learning more about current immunization practices in Michigan.

Pharmacy Continuing Education Requirements

These activities are structured to meet knowledge-based educational needs. A knowledge-based activity acquires factual knowledge. Information in knowledge-type activities is based on evidence as accepted in the literature by the health care professions. Pharmacy continuing education (PCE) credit will be earned based on participation in individually accredited activities. Attendance and participation are required before obtaining PCE credit. Any individual who is more than 10 minutes late to an activity or leaves an activity early will not be granted PCE credit. This procedure will be strictly enforced, so please plan accordingly.

These activities are accredited through the Accreditation Council for Pharmacy Education (ACPE) for pharmacist continuing education credit.

Participants must complete an activity evaluation and posttest with a passing score of 70 percent or greater. NOTE: ACPE guidelines prohibit MPA from issuing credit more than 60 days after the activity for any reason. If all requirements are met, participants will receive pharmacy continuing education (PCE) credit through CPE Monitor, a national, collaborative effort by ACPE and the National Association of Boards of Pharmacy (NABP) to provide an electronic system for pharmacists and pharmacy technicians to track their completed PCE credits, which went into effect on Jan. 1, 2013. **MPA, as an ACPE-accredited provider, is required to report pharmacist and pharmacy technician PCE credit using the CPE Monitor tracking system. Pharmacist and pharmacy technician participants must provide their NABP e-Profile identification number and date of birth (in MMDD format) when they register for a CPE activity or complete activity evaluations.** It will be the responsibility of the participant to provide the correct information (i.e., e-Profile identification number and date of birth in MMDD format). If this information is not correctly provided, NABP and ACPE prohibit MPA from issuing CPE credit. Online access to their inventory of completed credits will allow pharmacists and pharmacy technicians to easily monitor their compliance with CPE requirements and print statements of credit. Therefore, MPA will not provide printed statements of credit to pharmacists and pharmacy technicians. Partial credit will not be awarded.

Pharmacists and Pharmacy Technicians: If you have yet to sign up for CPE Monitor, go to MyCPEMonitor.net.

Initial Release Date: 10/13/15; Expiration Date: 10/13/16
5.5 contact hours

Registration

To register, or for additional information, please visit us online at <https://register2015.mihealth.org>. This event is \$50.

Learning Objectives are located on page 2

Program Agenda is located on pages 3-5

Michigan Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.
ACPE Universal Activity #0112-9999-15-369-L01-P

Pharmacy Continuing Education Learning Objectives

At the end of this seminar, participants should be able to:

- List two recent vaccine recommendations made by the Advisory Committee on Immunization Practices (ACIP)
- Describe two of Michigan's top immunization priorities for 2016
- Identify which wild polio virus type(s) continue to circulate
- Describe two strategies to increase Human Papillomavirus (HPV) vaccination rates
- Describe two strategies that will assist in procedural pain management during vaccine administration
- Describe two issues that can impact your immunization practice

2015 Michigan Annual Immunization Conferences

Agenda

Special Note Regarding the Marquette Conference

At the Marquette conference only, all times are pushed ½ hour later.

7:45 – 8:30 **Registration, Continental Breakfast & Exhibit Viewing**

8:30 - 8:45 **Conference Begins/ Welcoming Remarks**

8:45 – 10:00 **Vaccine Update, Part 1**

- *Andrew Kroger, MD, MPH, Medical Officer, National Center for Immunizations and Respiratory Diseases (NCIRD), Centers for Disease Control and Prevention (CDC), Atlanta, GA – Oct. 13 & 15*
- *JoEllen Wolicki, RN, BSN, Nurse Educator, NCIRD, CDC, Atlanta, GA – Nov. 3, 5 & 6*
- *Raymond A. Strikas, MD, MPH, Medical Officer, NCIRD, CDC, Atlanta, GA – Nov. 17, 19 & 20*

The speaker will provide information on the most recent and significant developments in the rapidly changing field of immunization. Anticipated topics include influenza, pneumococcal vaccines, human papillomavirus vaccines and meningococcal vaccines. Other emerging issues will also be discussed. The recommendations of the Advisory Committee on Immunization Practices (ACIP) for the use of vaccines will be included.

10:00 – 10:15 **Break with Exhibitors**

10:15 – 11:00 **Vaccine Update, Part 2**

This is the second half of the Vaccine Update presentation. The same speaker will give Parts 1 & 2 of this presentation.

11:00 – 11:45

Michigan Update

Bob Swanson, MPH, Director, Division of Immunization, Michigan Department of Health and Human Services (MDHHS), Lansing, MI

Michigan's immunization issues will be the target of this presentation, which will include a review of the state's immunization coverage and waiver rates. The State's new waiver process will be discussed, and the speaker will explain how the recent changes will assist in increasing Michigan's immunization rates. The presenter will focus on the provider's role in the waiver process. Finally, immunization priorities for 2016 will be described.

11:45 – 12:15

What Goes Around Comes Around: New Challenges with Old Diseases

Joel Blostein, MPH, Vaccine Preventable Diseases Surveillance Coordinator, Division of Immunization, MDHHS, Lansing, MI

Even as we develop and implement the capability to prevent additional diseases with new vaccines, we continue to face ongoing and in some instances newly-manifested challenges from older, traditional vaccine-preventable diseases. Measles and polio are two examples. The speaker will discuss some of the newer problems encountered, and current efforts directed against these diseases.

12:15 – 1:15

Lunch

1:15 – 1:30

Awards

1:30 – 2:30

Recommending HPV Vaccination: What Are the Magic Words?

- *P. Ann Ryan, DO, PhD, Complementary Medicine Practice, Okemos, MI, and Presenter, Physician Peer Education Project on Immunization – Oct. 13 & 15*
- *Marcus DeGraw, MD, Medical Director of the Child Protection Team and Medical Director of Outpatient, Pediatric Subspecialty Services at St. John Providence Children's Hospital, Detroit, MI – Nov. 3, 5, 6, 17, 19 & 20*

This presentation is designed to motivate and empower health care providers to confidently and effectively recommend HPV vaccination. The scientific and psychological issues surrounding HPV vaccination will be discussed. The speaker's goal is to make the tough conversations easier and increase HPV vaccination rates.

2:30 – 2:45

Break with Exhibitors

2:45 – 3:15

It Doesn't Have to Hurt

- *Heidi Loynes, RN, BSN, Nurse Educator, Division of Immunization, MDHHS, Lansing, MI*
- *Oct. 13, Nov. 3, 6 & 20*
- *Barbara Wolicki, RN, BSN, Nurse Consultant, Division of Immunization, MDHHS, Lansing, MI*
- *Oct. 15, Nov. 5, 17 & 19*

The speaker will discuss strategies that can be implemented to decrease procedural pain during vaccine administration. Information and resources on pharmacological, physical, psychological and procedural interventions for health care personal and their clients and families will be presented.

3:15 – 4:00

Troubleshooting Panel

Immunization experts will answer a wide range of vaccine-related questions from attendees.

Oct. 13, Marquette: Andrew Kroger, MD, MPH, P. Ann Ryan, DO, PhD, Bob Swanson, MPH, and Barbara Wolicki, RN, BSN

Oct. 15, Gaylord: Andrew Kroger, MD, MPH, Heidi Loynes, RN, BSN, P. Ann Ryan, DO, PhD, and Bob Swanson, MPH

Nov. 3, Lansing: Marcus DeGraw, MD, Bob Swanson, MPH, Barbara Wolicki, RN, BSN, and JoEllen Wolicki, RN, BSN

Nov. 5, Grand Rapids: Marcus DeGraw, MD, Heidi Loynes, RN, BSN, Bob Swanson, MPH, and JoEllen Wolicki, RN, BSN

Nov. 6, Flint: Marcus DeGraw, MD, Bob Swanson, MPH, Barbara Wolicki, RN, BSN, and JoEllen Wolicki, RN, BSN

Nov. 17, Kalamazoo: Marcus DeGraw, MD, Heidi Loynes, RN, BSN, Raymond A. Strikas, MD, MPH, and Bob Swanson, MPH

Nov. 19, Dearborn: Marcus DeGraw, MD, Heidi Loynes, RN, BSN, Raymond A. Strikas, MD, MPH, and Bob Swanson, MPH

Nov. 20, Troy: Marcus DeGraw, MD, Raymond A. Strikas, MD, MPH, and Bob Swanson, MPH, and Barbara Wolicki, RN, BSN
