DATABASE INSTRUCTIONS
Telemedicine

This document contains information for interpreting this Michigan Medicaid database. Providers are instructed to refer to the Michigan Medicaid Provider Manual and/or MSA Bulletins for specific coverage, reimbursement policies, and required forms. To access this information via the MDHHS website, click hyperlink: Medicaid Policy & Forms.

The database is available in two formats:

- PDF excel file for viewing and/or printing a page
- An Excel file for downloading data onto your computer

Data elements and descriptions for this database are as follows:

Data Element	Description
Revenue Code	Payment codes for services or items.
HCPCS Code	The HCPCS Level I (CPT) or Level II code used to denote a service.
Modifier (Mod)	Modifier is required to identify when a service is performed via telemedicine. GT = interactive telecommunication
Short Description	The short description of the service associated with the HCPCS code.
Non-Facility Fee (Non-Fac Fee)	The fee screen for professional services provided in a non-facility setting. If there is an "M" in the fee field, the code is manually priced and requires additional information. An "NA" in this field indicates this procedure is rarely or never performed in the non-facility setting.
Facility Fee (Fac Fee)	The fee screen for professional services provided in a facility setting. If there is an "M" in the fee field, the code is manually priced and requires additional information. An "NA" in this field indicates this procedure is rarely or never performed in the facility setting.
Comments	Indicates if additional pertinent data and/or documentation is required for claim submission (or) provides clarification of HCPCS code revisions. • Documentation Required = Additional information required to process the claim (e.g. description of service, operative report) • Revised = Denotes revisions to HCPCS codes other than reflected by an action code since last published database, if applicable.
