

FREE MI CHILD, HEALTHY KIDS, MOMS ENROLLMENT TRAINING

Do you have staff that needs to be trained on MiChild Enrollment this year? Come learn how to enroll people into MI Child, Healthy Kids, and MOMS at a short two and a half hour training in Okemos, June 18, 1:30-4:00pm

Did you know that when you are an agency that provides medical services and are certified, there are 2 benefits: or Healthy Kids beneficiaries, you get 2 months of presumptive eligibility - or 2 months of coverage. This is not effective immediately, DHS still has 45 days to process the case, but they will get these 2 months even if they forget to send in birth certificate etc.

For MOMS beneficiaries, you get a Guarantee of Payment Letter issued at the time of application. This is good for 45 days and can be used to receive services while Medicaid is pending.
