Department of
Community Health**

November 3 - 5, 2010
Ann Arbor Ypsilanti Marriott
Hotel at Eagle Crest

Join us for the 16th annual statewide Health Disparities & STD/HIV Conference! The expanded program will feature five general sessions with renowned speakers and 42 interactive workshops.

Who Should Attend?

Public health and health care professionals, community based organization and social services agency staff, health disparities and health equity program staff, researchers and academics, legislative staff and government officials. STD program staff, HIV prevention counselors, AIDS coordinators, caregivers, health educators, health care providers, substance abuse providers, people living with HIV/AIDS, case managers, social workers and school personnel are also encouraged to attend.

Location

The conference will be held at:
**Ann Arbor Ypsilanti Marriott
Hotel at Eagle Crest
1275 S . Huron Street
Ypsilanti, MI 48197
734-487-2000**

A block of guest rooms is available for conference participants for the nights of November 2-4, at the rate of \$92 per night plus tax (single or double occupancy). Please call the Marriott-Eagle Crest at 734-487-2000 or 800-228-9290 for reservations. Mention the Health Disparities & STD/HIV Conference to receive the conference rate. If registering online, use group code MIDMIDA. The deadline for this rate is **October 10, 2010**. After October 10 the block will be released and there is no guarantee of securing a room at the conference rate.

Featuring Keynote Speakers

David Williams, PhD
Professor of Public Health
and African American Studies
and Sociology
Harvard School of Public Health
Bill Smith, Executive Director
National Coalition of STD Directors
Jeffrey S. Crowley, Director
Office of National AIDS Policy & Senior
Advisor to the President on Disability Policy

New this year...

The first day and a half of the conference will provide a forum for participants related to racial and ethnic health equity in Michigan. The conference will feature plenary and workshop sessions that will highlight best practices research and innovative, Michigan-based approaches to addressing racial and ethnic health disparities. Participants can expect to leave this conference with tools useful in developing community, system and policy level strategies to promote health equity.
