NOTE: On Thursday November 3, 2011, the list of designated HPSAs was updated to reflect the publication of the Federal Register Notice with the list of designated HPSAs as of September 1, 2011. HPSAs that were designated after September 1, 2011 are considered designated even though they are not on the federal register listing; HPSAs that have been placed in "proposed for withdrawal" or "no new data" status since September 1, 2011 will remain in that status until the publication of the next federal register notice. If there are any questions about the status of a particular HPSA or area, we recommend that you contact the state primary care office in your state; a listing can be obtained at <a href="http://bhpr.hrsa.gov/shortage/hpsas/primarycareoffices.html">http://bhpr.hrsa.gov/shortage/hpsas/primarycareoffices.html</a>.
