Dear Ms. Steinke:

I am writing to remind you of the impending minimum wage increase effective July 1, 2007. This will result in a wage increase for some Medicaid Home Help providers. Individual providers in counties with a current rate of \$7.00 per hour will automatically be raised to \$7.15 per hour, commensurate with the minimum wage. The agency rate in counties with no established agency rate will also be changed to reflect the minimum wage increase.

I have attached a spread sheet with the counties impacted by the minimum wage change so that you may inform your constituency. If you have questions, please contact Susan Yontz at yontzs@michigan.gov or (517) 241-4477.

Sincerely,

A handwritten signature in black ink that reads "Paul Reinhart".

Medical Services Administration
