Dear Audiologist Provider,

Please be advised that temporary technical difficulties have occurred with the CHAMPS revalidation process for audiology providers.

These technical problems are currently being addressed. Until they are corrected, approval of CHAMPS audiologist revalidation requests will be delayed. We will notify you when the revalidation process has been successfully completed. No further provider action is necessary. This does not affect current processing of claims.

We appreciate your patience and cooperation during this period of program development as we refine and implement the CHAMPS system and subsystems. If you have any questions regarding the revalidation process, please contact the CHAMPS Hotline at 1-888-643-2408.

Sincerely,

A handwritten signature in black ink that reads "Paul Reinhart".

Medical Services Administration
