Dear Tribal Chair and Health Director:

RE: Notification of State Plan Amendment for Reimbursement of Tracheostomy and Bedside Dialysis Services in a Nursing Facility

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment (SPA).

MDCH is pursuing a SPA to allow the Department to create a new reimbursement rate for tracheostomy and bedside dialysis services in nursing facilities. Reimbursement for individuals needing tracheostomy and bedside dialysis services in a nursing facility will be set prospectively as an individual nursing rate per resident day: the rate will be based on the complexity of care needed and will be determined by Medicaid. Reimbursement will be made for prior authorized tracheostomy and bedside dialysis services for residents who have been transferred to a Medicaid enrolled facility.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Mary Anne Tribble, Medicaid Liaison to the Michigan Tribes. Mary Anne can be reached at (517) 241-7185 or via e-mail at tribblem1@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
