**RE:** Restructure of PIHP Regions

The Michigan Department of Community Health is restructuring the Prepaid Inpatient Health Plans (PIHPs) from 18 to 10 regions effective January 1, 2014. There are no changes to the current service array for behavioral health and developmental disability services provided through the PIHPs.

The PIHPs are responsible for notifying their network providers of this change.

Attached is a map of the Michigan PIHP Restructure.

You may contact Elizabeth Knisely at (517) 335-8401 or by e-mail at [kniselye@michigan.gov](mailto:kniselye@michigan.gov) if you have questions regarding this letter.
