Dear Nursing Facility Administrator and Billing Office:

**Subject:** Claim Filing Indicator Code on Medicaid Electronic Claim Submissions

When billing Medicaid for beneficiaries with Medicare Fee-For-Service or Medicare Advantage Plan coverage, facilities must report the Claim Filing Indicator Code "MA" (Medicare Part A) on the claim to avoid incorrect processing of the Medicaid payment.

When billing Medicaid for beneficiaries having other insurance, facilities must also report the appropriate Claim Filing Indicator Code for that insurance.

If you have additional questions regarding this matter, please contact Medicaid Provider Support at 1-800-292-2550, or e-mail at [ProviderSupport@michigan.gov](mailto:ProviderSupport@michigan.gov).

Sincerely,

A handwritten signature in cursive script that reads "Stephen Fitton".
