Dear Tribal Chair and Health Director:

RE: Fiscal Year (FY) 2015 Outpatient Uncompensated Care DSH Pool Eligibility

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment.

The Michigan Department of Community Health (MDCH) is notifying you of its intent to submit a State Plan Amendment, effective October 1, 2014, that will modify hospital eligibility criteria for its FY 2015 Outpatient Uncompensated Care Disproportionate Share Hospital (DSH) pool. In order to qualify for a share of this DSH pool beginning in State FY 2015, hospitals must enter into a provider network contract or agreement with the State's MI Health Link Integrated Care Organizations (ICOs), if engaged, to ensure the program's beneficiaries have access to the services offered through this program. In demonstration regions with more than one ICO, hospitals must contract with multiple ICOs. Hospitals that refuse to contractually enter into an ICO's provider network in regions covered by this program will not be eligible for this DSH pool. All other Federal and State DSH eligibility criteria remain. Distributions to hospitals from this pool will be consistent with the current distribution methodology. This process will be completed in a manner that is budget neutral to the State of Michigan.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Lorna Elliott-Egan, Medicaid Liaison to the Michigan Tribes. Lorna can be reached at (517)373-4963 or via e-mail at elliott-eganl@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
